

Every Child Can!

Saturday, August 1, 2020

9:00am - 4:00pm

Instructor: Katherine Barley

This one day foundation course explains the philosophy of the Suzuki method and is a prerequisite for all other teacher training courses. It is open to parents, school administrators, and teacher trainees.

Short Term Teacher Workshops

The teacher unit courses are an inspiring, supportive means for learning teaching skills. Trainees will study the Suzuki repertoire and techniques used in each unit. To take unit courses, teachers must be active members of the Suzuki Association of the Americas. ECC, Unit 1, Unit 2, and Unit 3 must be taken in that order. Once this sequence has been completed, higher units may be taken out of order.

Audition Requirement

To qualify as a participant in SAA Teacher Workshop unit courses, applicants must submit a DVD or uploaded video audition to the SAA, preferably well in advance of taking the course. Videos submitted at least 8 weeks prior to the course start date will receive a discounted audition fee; if submitted later than 8 weeks before the course, the regular audition fee will be required. Auditions for Unit 1 courses must be received no later than 10 days prior to

the course start date. Auditions for all other units must be submitted and approved before the course start date. If auditions are not accepted, course work will not be eligible for SAA registration. For further information, please see the Suzuki website at suzukiassociation.org to view the teacher video audition application form and instructions, or call the SAA at 1-888-378-9854.

Required Course Preparation

All teacher training participants are asked to prepare and memorize the repertoire to be studied to the point of fluent performance. Additionally, participants should be conversant with the ideas presented in Dr. Suzuki's book, Nurtured by Love. All participants will be performing Suzuki repertoire and other materials in class. Strings and woodwinds are expected to provide their own instruments. 100% attendance is required for registering the course. It is suggested that participants bring an audio recorder and a notebook to all sessions.
